Activities suitable for 4-14 year olds, but everyone is welcome to join in. Children under the age of 8 should be accompanied by a responsible adult. Sessions are OPEN ACCESS, and all children remain the responsibility of their parent/carer at all times. Children may get muddy, or use paint, glue, etc – so please dress accordingly. Weather permitting; there may be the chance to get wet.

Sessions will usually include: Bouncy Castles, Sports, Games and Crafts.
 Activities are funded by participating Parish Councils.
